Through the booking only a procurement contract comes about between the guest and Millstätter See - Bad Kleinkirchheim - Nockberge Tourismusmanagement GmbH, to which the provisions of Section 31b ff KSchG [Consumer Protection Act] do not apply. Thus within the context of its procurement, Millstätter See - Bad Kleinkirchheim - Nockberge Tourismusmanagement GmbH neither owes the guest a (travel) service, nor does it assume any guarantee for the contractual fulfilment by the accommodation business. The service procured shall always be invoiced and charged directly by the accommodation business, and the procured services themselves are governed by the [AGB der Österreichischen Hotellerie 2006](#) [2006 General Terms and Conditions for the Hotel Industry], insofar as this accommodation business has not provided any separate terms and conditions of business.

2.2 Millstätter See - Bad Kleinkirchheim - Nockberge Tourismusmanagement GmbH as operator: In exceptional cases Millstätter See - Bad Kleinkirchheim - Nockberge Tourismusmanagement GmbH acts as operator, in which case within the context of these (exclusively package) offerings reference is expressly made to the capacity of Millstätter See - Bad Kleinkirchheim - Nockberge Tourismusmanagement GmbH as an operator. In these cases Millstätter See - Bad Kleinkirchheim - Nockberge Tourismusmanagement GmbH as operator shall be liable for the service (of its own) that is offered, whereby also in the case of its own events any possible compensation is limited to cases of intent and gross negligence.
